

REMARKS

This Application has been carefully reviewed in light of the final Office Action transmitted March 22, 2007 (the "Office Action") and the Advisory Action transmitted June 12, 2007 (the "Advisory Action"). At the time of the Office Action, Claims 1-3, 5-10, 12-17 and 19-21 were pending in the application. The Advisory Action rejects Claims 1-3, 7-10, 14-17, 20 and 21 and objects to Claims 5, 6, 12, 13 and 19. Applicants amend Claims 1, 8, 15 and 21 and cancel Claims 6 and 13. Applicants respectfully request reconsideration and favorable action in this case.

Applicants have amended Claims 1, 8, 15 and 21 to recite "wherein the first application state comprises viewing of a portion of an image of application data, and the second application state comprises viewing a hierarchical menu for performing operations with respect to the application data" or similar elements. Previous Claims 6 and 13 with these elements have been indicated as allowable over overcoming the double patenting rejections. For at least these reasons, Applicants respectfully request allowance of Claims 1, 8, 15 and 21 and all claims depending therefrom.

CONCLUSION

Applicants have made an earnest attempt to place this case in condition for allowance. For the foregoing reasons, and for other reasons clearly apparent, Applicants respectfully request full allowance of all pending claims.

If the Examiner feels that a telephone conference would advance prosecution of this Application in any manner, the Examiner is invited to contact Chad C. Walters, Attorney for Applicants, at the Examiner's convenience at (214) 953-6511.

Although no fees are believed due, the Commissioner is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 02-0384 of Baker Botts L.L.P.

Respectfully submitted,
